### **French investments in the Republic of Moldova**

Consult Group attended the event organized by the Moldovan-French Chamber of Commerce and Industry "Club de France", which invited in Chişinău the representatives of the Romanian-French Chamber of Commerce and Industry.

The roundtable was attended by French and Romanian businessmen and the representative of Consult Group spoke about the opportunities to invest in Moldova through public-private partnership. For two days it was discussed the legal and fiscal situation that favours investment in our country.

During the stay in Chisinau members of the Romanian-French Chamber of Commerce and Industry met with representatives of the central and local public authorities. They also have made visits to businesses with foreign capital operating in Moldova. Please note that the Romanian-French Chamber of Commerce and Industry, held for the first time a documentation visit outside Romania.

In the event of 22-23 March 2011, Chisinau was visited by a group of French companies which develop investment projects in the Romanian market and seek opportunities to engage in the Republic of Moldova.
