

JOB DESCRIPTION

Audit Assistant Manager

About us

Consult Group (CG) is a group of consulting, auditing and law companies, in Central Europe and Republic of Moldova with a team of 5 partners and over 200 consultants, offering a viable alternative to traditional companies from BIG-4. Our permanent offices are located in Romania, Germany, France, United Kingdom and we are growing continuously.

(CG) experts provide services to public and private sector of clients in the following professional fields: Legal, Audit and Assurance, Bookkeeping, IFRS, Tax Optimisation and Management consulting - serving many industries in different countries through our network, like Romania, France, USA and CIS countries.

(CG) is looking for an Internal Audit Assistant Manager for our Assurance team in Chisinau, Rep. of Moldova.

Details

Working within Consult Group's Assurance group, you will be responsible for providing internal audit services to a diverse range of clients (both in the Republic of Moldova and abroad).

As an Assistant Manager, you will be responsible for the day-to-day leadership (from audit planning through to wrap-up) of multiple audit engagements per year. You will work with the team to develop objectives and an audit approach that effectively achieves those objectives. You will also drive the preparation of the final report, incorporating input from the audit team and clients. Finally, you will be responsible for presenting the results to various levels of management.

We offer

- Competitive remuneration
- Attractive benefits
- Access to our expertise and resources
- The opportunity to work with a prestigious firm of advisors
- International environment

-
- Internal training programs including extensive induction training + possibility to gain professional certificate
 - A wide range of clients and assignments
 - A friendly team of experienced professionals

What we are looking for in a candidate

- ✓ At least 5-6 years experience in Accounting, Auditing, Finance, Business Process Improvement, Operations Improvement, or Operations
- ✓ Masters Degree in Business, Accounting, Finance, Economics, or Technical University is required.
- ✓ ACCA, CIA or CISA certification
- ✓ Advanced technical knowledge of:
 - ✓ Accounting principles (IFRS),
 - ✓ Internal control frameworks, and
 - ✓ Auditing techniques.
- ✓ English language skills (written and spoken) at a professional level
- ✓ Project management, team leadership, or supervisory experience
- ✓ Management skills in building client relationships
- ✓ Consultative nature, strong analytical and problem solving skills, and decision making skills
- ✓ Strong oral and written communication skills and interpersonal skills.
- ✓ Ability to learn quickly, be self-motivated, demonstrate initiative, and adapt in a dynamic environment.
- ✓ Willingness to travel
- ✓ The License for Audit is not necessary
